## What is Women Build?

Habitat for Humanity was founded on the idea that every man, woman, and child have a decent and affordable place to live. **Did you know that the majority of people populating Habitat homes are women and children?**

Since 2008, Habitat for Humanity International runs a weeklong event in March to empower women volunteers to participate in constructing a home for a local family.

## WHO WE ARE

Habitat for Humanity of Waukesha County, an affiliate of Habitat for Humanity International, is an independent, locally run nonprofit organization that provides affordable homeowners to low-income families in Waukesha County.

We are dedicated to empowerment, not entitlement, and bringing people together to build and repair hope, homes, and community.

Since 1987, Habitat Waukesha has built 34 homes, with three more set for completion in 2021 - helping provide safe and decent housing to our partner families.

We provide a hand-up, not a handout. An important part of our mission is to build communities and look for opportunities to partner with our families as well as our local community to create a better Waukesha County, where everyone has a place to call home.

## Women Build 2021

This year, during the month of May, Habitat Waukesha invites teams and individuals to join together through Women Build to raise funds and build homes!

This month-long event empowers women of all ages, backgrounds, and industries to come together to develop, and expand the skills of women - all while building a home for a local family!

Habitat Waukesha is seeking individuals to help reach our goal of \$50,000. Join as a team, or an individual - no experience necessary!

## Participate as an Individual!

Interested in participating in Women Build as an individual? Perfect! Women Build encourages women to join in on the construction site as an individual or teams of family and friends.

Individual participants raise a minimum of \$150 each to participate and to help us reach our overall goal of \$50,000.

Individual registration includes:

- One day of building on the construction site during Women Build Month (May 2021)
- 1 Women Build T-Shirt
- Lunch and water while on-site during Women Build
- Name listed on our website through 2021 as a Women Build supporter
- Women Build swag bag
- The amazing opportunity to work with side by side with other strong women in the community and help affect lives for families in need of affordable housing

\*\*Team rates are also available, contact [kelly@habitatwaukesha.org](mailto:kelly@habitatwaukesha.org) for information

## Additional Incentives

Participants that raise more than \$150 qualify for everything listed above as well as:

- \$300 raised: Women Build tool belt
- \$600 raised: Habitat Waukesha Women Build Fleece
