Builders  
*gala*

*Domenica* PARK

Housing is a fundamental pillar shaping every aspect of a family's life. The importance of affordable and safe housing cannot be overstated — it directly influences health, education, financial stability, and overall safety. Its impact leaves a legacy for generations. In 2023, Habitat for Humanity's impact tripled, and our commitment is to sustain this unprecedented growth over the next decade.

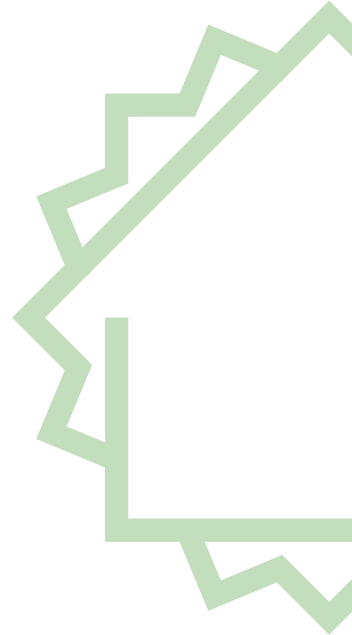

Looking ahead to 2033, our goal is to construct 20 homes annually and complete 30 repair projects in 3 communities. We invite you to be part of our continued growth and witness the transformative impact firsthand at an event that encapsulates the essence of our mission.

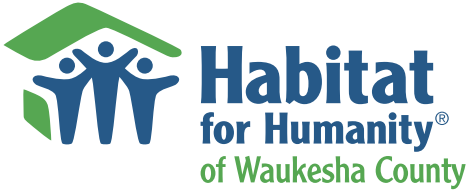

The annual Dream Builders Gala will be held on Friday, June 14, 2024, at the Domenica Park Neighborhood.

Domenica Park is our first neighborhood in Waukesha County, consisting of 16 single-family homes and 2 duplexes — a collective effort that will provide homes for 20 families. With six homes nearly complete and another six set to begin construction in 2024, we are thrilled to host our annual Gala at the very site where the dream of homeownership becomes a reality.

I hope you'll join us for an inspiring evening beneath a glamorous tent on the build site of Domenica Park. Enjoy delicious food, entertainment, and the opportunity to connect with local community leaders. Together, let's create real and positive change in both Waukesha County and Jefferson County.

Melissa Songco  
CEO

Dream Builders gala

30 Home Renovation Repairs

# For People, Not Profit.

Since 1989, Habitat for Humanity has been the leading provider of affordable housing opportunities in Waukesha County. We proudly announce our expansion into neighboring Jefferson County and are excited to bring our transformational work there in 2024. With over 50% of residents commuting between two counties, we are anxious to extend our affordable housing impact regionally. The local businesses, churches, and individuals of Waukesha and Jefferson County are vital partners in our work to build community and help empower our homeowners.

***Mission:** Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities, and hope.*

Today, Habitat Waukesha Community Impact Includes:

- **Homeownership:** New home construction and rehabilitation of vacant homes
- **Home Preservation:** Improvement, preservation, and repair of owner-occupied homes
- **ReStore:** Our ReStore accepts donations of gently used household goods and building materials for resale at a fraction of the cost — it's good for the environment and the community
- **Advocacy:** We work hard to support policies to make the #CostofHome something we can all afford
